STRATEGY- DOOH

Mark out the target path to leverage repetition

Targeting 17 strategic locations with DOOH and mobile around transports and business areas with a rotation of 4 creatives.

DOOH Targeting

Transports

Specific targeting of transport in France's main business centres (eg, Paris (La Défense), Lyon (La Part Dieu), Marseille, etc.)

Any display/format available within a radius of 1 km around the centres

Offices

An all-company scheme via the ECN offer (Paris, Lyon)

Gaz stations, malls & proxi

With a radius of 1km around the business centres

Broadcasted with:

STRATEGY - MOBILE

And retarget DOOH exposed users on mobile

To amplify DOOH message and create repetition

Distribution framework on 100% premium sites

RESULTS

Significant increase in reach thanks to a impactful targeting based on DOOH repetition and mobile retargeting

Combining the reach and creative impact of Out Of Home advertising with the interactivity, targeting and measurement capabilities of mobile advertising has increased brand awareness and consideration. Combining the one-to-many DOOH reach with personalized one-to-one engagement of mobile is a successful strategy.
